

July 27

1:02 - Hi Dennis:

I believe this document is responsive to your request.

Thanks,

Emily

1:57 - To clarify, that information/email, referenced in the article, was sent to the board in May. I was under the impression it was sent sooner but just found out today it was sent a few weeks after the board meeting. There was a handout given to the board at the 4/24 meeting. I'll try to get my hands on a copy.

2:15 - Here's the handout.
