

Mr. Simpson,

Here are the items you requested on September 24, 2019:

2017 Bond - Attached are general ledger reports of expenditures and revenues in fund 41 for the time periods requested. The amounts in fiscal year 2020 are through 8/31/19. This information is also posted on our website (Bond Transparency) which is updated directly from the general ledger accounts.

Grand Junction High School - Also attached is the cost portion of the BEST grant application submitted for the replacement of GJHS, demonstrating the expected costs of replacing the school. Some of the line items in the grant are required by the BEST program. We will be re-applying for a BEST grant in May 2020.

Thanks,

Melanie Heath, D51 Assistant Director of Financial Services
