	H. SUPERINTENDENT'S REPORT	
	H-1. Blythe Architects Update	
	Mr. Roy Blythe and Ms. Pamela Blythe presented carpet and tile samples to demonstrate materials which will go inside the new R-5 High School/ Opportunity Center building. Mr. Blythe said the District is shooting for an August 1, 2016, opening for both schools. Bids will be coming in through the	
	remainder of the calendar year for work on the building. There will be a formal Groundbreaking Ceremony on Tuesday, November 17, 5:00 p.m.	
	 H-2. School Start Times Report The Board weighed potential ways to shift start times for middle and high 	
	schools with help from Mr. Shane Anderson, Student Transportation of America Terminal Manager in Grand Junction, and Mr. Phil Onofrio, Chief Operations Officer. From a busing perspective, it would cost less than \$1.2 million, to start high school at a later time. Two dozen bus routes would need	
	 to be added and 41 existing routes would be impacted. Starting both middle and high school later in the mornings would cost approximately \$2.1 million, based on this year's rates. Forty-two buses would need to be purchased and 78 routes would be impacted by the change. Mr. 	
	Parrish stated families may be more willing to pay a small fee for busing in exchange for later start times. Mr. Mikolai added the Board should explore solutions with Grand Valley Transit for high school bus riders. Currently, buses average 30 riders at a time. Buses are at capacity with 72 elementary	
	riders or 48 secondary school riders. Mr. Anderson stated, re-examining routes and bus stops could increase efficiency and save money. Mr. Anderson estimated twelve to fifteen routes could be combined, which could lower his estimates. Mr. Leany stated he has noticed some outdated bus	
	stops, which have few or no riders. Mr. Onofrio estimated it would cost \$880,000 to shrink walking boundaries from a two-mile radius to a one-mile radius around elementary schools and adjust from a three-mile radius to a two-mile radius around middle and high schools.	
	The Board asked Mr. Anderson to come back at the end of January with a plan for consideration.	
	[Mr. Mikolai called for a recess at 7:13 p.m. Resumed at 7:18 p.m.]	
	 H-3. Business/Investment Reports ➤ Mr. Onofrio and Mrs. Crawford, Financial Service Director, were available for questions. Mrs. Crawford stated the District did not have to use recences to meet budgeted items. Discussion took place regarding 	
	use reserves to meet budgeted items. Discussion took place regarding the food service fund and the plan to increase lunch participation.

Mr. Schultz reported the Pathways Program is continuing and the Drug Threat Oversight Committee (DTOC) has completed a campaign regarding secondhand smoke and marijuana for District 51 students. H-5. Communications Report The Communications Report was shared with the Board who praised the new, twice-a-month report. The Board asked if the Communications Department can continue to diversify its outreach with media contact, advertising, newsletters and social media posts. Mr. Dan Dougherty, Communications Director, reported about an "app" which is available to download to android and Apple telephones. Anyone who downloads the app will be interrupted for emergency situations taking place in the District. Community Hospital sponsored the app: therefore, it is at no cost to the District. H-6. Telephone System Replacement Mr. Odus Harwood, Executive Director, and Mr. Randy Dalton, Technology Manager Infrastructure, discussed with the Board the District plans to switch to a new telephone system beginning July 1, 2016. The District will end its contract with Jive on June 30. Jive provided good service, however, the reliability of the system cannot be counted to work. The District will switch to a telephone solutions provider, Real Time Networks, and phone system provider, ShoreTel. Unlike Jive, the new system will not be cloud-based. The District has experienced numerous outages with the cloud-based system. Despite the Technology Department's best efforts to work with Jive, it has 						
					 become clear the system is not going to work for District 51. Mr. Harwood stated the new contract is expected to save the District about half a million dollars over a five-year period. Mesa County Valley School District 51 Recognition: D51 Instructional Leader

Presented: October 27, 2015

District 51 has implemented the new D51 Instructional Leader designation for teachers wanting to grow in a leadership capacity, without having to leave their classroom. Intake and investigation, procedure

District staff and students, and other members of the public are encouraged to promptly report any incident believed to involve unlawful discrimination or harassment as provided in Board policy and this regulation. If the compliance officer is the individual alleged to have engaged in the prohibited conduct, the report or complaint shall be forwarded to the superintendent.

The compliance officer shall confer with the aggrieved individual(s), and/or the alleged victim of the unlawful discrimination or harassment as soon as is reasonably possible following the compliance officer's receipt of the report or complaint. At such conference, the compliance officer shall explain the avenues for formal and informal action, and provide a description of the complaint process. The compliance officer shall also explain that whether or not the individual files a written complaint or otherwise requests action, the district is required by law to take steps to correct any unlawful discrimination or harassment and to prevent recurring unlawful discrimination, harassment or retaliation against anyone who makes a report or participates in an investigation. All reports or complaints of unlawful discrimination or harassment shall be reasonably investigated and resolved by formal or informal action as provided below. Insofar as practicable and consistent with the objectives (1) of obtaining full disclosure of all pertinent facts, and (2) of seeking to achieve a resolution of disputes in an informal fashion, the investigation shall be conducted in a confidential manner so as not to disclose the identity of the complaining party and witnesses. -The person(s) whose conduct is in question shall not be considered a party at the investigation stage. -Such person(s) shall be informed only of those facts that, in the compliance officer's judgment, are necessary to achieve a full and accurate disclosure of material facts or to obtain an informal resolution.

Informal action

If an aggrieved individual who reports or complains of unlawful discrimination or harassment declines to file a written complaint or requests that the matter be resolved in an informal manner without formal filing of a written complaint as provided below, the compliance officer shall determine whether such matter may be appropriately resolved through informal action. Informal action may include, but shall not be limited to mediation, counseling or other non-disciplinary action, decision or process. If a resolution is attempted through informal action, then the compliance officer shall document the informal action taken and the resolution or other outcome achieved or determined. No further compliance action shall be required. No aggrieved individual shall be compelled to accept informal resolution of a complaint of unlawful discrimination or harassment and such individual may exit the informal resolution process at any time by filing a written complaint, Informal resolution shall not be used to process written complaints filed with the compliance officer, and shall not be used where the underlying offense involves allegations of sexual assault or other act of violence.
